**Free Estimate**

**The Gasket Guy Inc.**

## Product & Service Information

**The Gasket Guy Inc.** Perform a free, no obligation inspection of your refrigerator and freezer gaskets, followed by a detailed estimate of repairs. All repairs are flat rate, not hourly, saving you money.

Return within 24 - 48 hours with custom-sized, perfectly fitting, OEM gaskets (no folds like you typically get from factory shipments).

We use *only* Original Equipment Manufacturer (OEM) gaskets to ensure a good fit every time. Be aware that general purpose, one-size-fits-all gaskets just do not work..

- Free estimate and inspection.
- Install original gasket made to size.
- Adjust your doors to close perfectly.
- Walk-in doors and frames.
- Hinges handles door closers.
- Walk-in renovation (floors, walls, door steps).
- Strip curtains for all size doors.
- Heating units for walk-in frames.
- Cover inside walls and ceilings of walk-ins.
- Shelving for rich-in & walk-in units.
- Sheet metal work (diamond plait or stainless steel)
- Fixing cooler Drawers rollers and slides.
- Fixing sliding cooler doors and rollers.
